

## **MARK of the BEAST, His IMAGE, in the RIGHT HAND, or FOREHEAD, TAKE HIS NAME, AND/or NUMBER 9/3/2020**

**INTRO:** See at the bottom the summary of the research intermingled with the scriptures. The immunization is a body sensor that attaches to the inside of a person, it is a chip (gel), linked to computers, etc. It also is the Mark of the Beast, and if you take it changes you, your DNA, and it seems that in some sequence it allows possession of evil demonic control or spirits. You become Satan's property if you accept or you cannot travel, purchase, go to stores, work, or whatever. This separates Gods people from Satan's. Or so it seems?

## Big Pharma is officially partnering with the tech industry to pair "immunization" with digital biometrics, meaning humans will soon be microchipped, tracked, and ultimately controlled through a global identification matrix.

For years we've been watching as Microsoft founder **Bill Gates**, now retired from the company he founded, use his billions to give 'free vaccinations' to people in third world countries. Now Bill has become a founding partner in another company, this one is called the **ID2020 Alliance**, and its goal is to give every human being on Earth a digital id. How do they plan on accomplishing this feat? By combining **mandatory vaccinations** with implantable microchips. Genius, isn't it? And coming soon to a theater near you, as the saying goes.

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." **Revelation 13:16-18 (KJV)**

So now you know what Bill Gates and his wife Melinda were really doing over the past 10 years, travelling to third world countries and giving 'free vaccinations' to the poor, downtrodden natives. Those 'free vaccinations' was research and a live testing lab to conduct the necessary experiments required to form ID2020. And as you will see today, this unholy hybrid of
